ABOUT

At DakotAbilities, we have a vision— of a community that actively includes people of all abilities.

Together, we're working to make that vision come true. DakotAbilities is a non-profit organization serving people with developmental disabilities.

We create an environment where people with disabilities can reach their highest potential. One way by striving to make our community one in which all people are valued for their individual contributions and talents.

EVENT INFORMATION

As a DakotAbilities volunteer you will have many opportunities to be involved with our individuals. You may go to a baseball game, hockey game, football game, car races, bowling, concerts, movies, or a fishing trip at a "private" pond. DakotAbilities will pay for all tickets required for functions. You may enjoy just visiting with an individual at their home and spend some time doing a puzzle or reading a book. Musicians are always a big hit and are welcomed to come to any of our individuals' home and put on a mini-concert. For those who are "power shoppers", we have individuals who would love to spend an hour at the mall with you.

Share *your* talent or hobby with someone new.
